2012 & 2013**

**Cheshire’s Disability  
Hub Club**

**Warriors Synchronised  
Swimming Section**

**Warriors Water Polo**

## 'From Paddling Pool to Podium'

There is only one competitive swimming club in Warrington which can offer talented able bodied and disabled swimmers the route to their true potential in the water.

We work in partnership with Livewire to develop Elite level swimming across Warrington.

We identify swimmers from the swimming lesson programme and fast track those who we feel can achieve success soonest.

The programme over the past 5 years has produced National Champions, British Record Holders and a Commonwealth Games Finalist.

The club currently caters for 300 swimmers across Warrington all from the lesson programmes and gives swimmers the skills which are necessary to perform at the highest level in swimming.

Even if you're a beginner looking for something a little bit extra - contact one of the most successful swimming clubs in Great Britain.

All our Elite Coaches are level 3 qualified and have both competed and coached at the highest level of Swimming in Great Britain.

Whatever your aspirations are in the water contact us first.

Head Coach Darren Ashley
