

Warriors of Warrington Swimming Club

Chairperson Report for 2021 AGM

Since our last AGM we have seen the country, our club and our swimmers struggle due to the continued pandemic. Both mentally and physically 2020 has been a difficult year.

Yet again, despite this we have seen the club and swimmers come together to support each other.

Swimming

Whilst sufficient facilities and pool time has been challenging, Darren and the coaches have continued to work hard to get our swimmers back into the water and re-energise their love of swimming.

Swim Camp

Following on from the success of the 2020 Swim Camp we are still planning on holding a further camp in 2022.

Fundraising

Despite the challenges regarding the pandemic we have seen fundraising activities continue and thanks to Paul Daintith we have seen him raise over £4,000.00 towards the Swim Camp.

Warriors Cyprus Swim Camp 2022 Bonus Ball Draw								
Price Per Ball £2			Draw Date - 13th June			Winner Gets £50.00

19.	J. Barber	Pool	58.	S. Mansell	Pool	59.	P. Leaver	Pool

Coronavirus

As highlighted last year coronavirus has changed our daily life, but yet again as a club I have again seen swimmers, coaches, volunteers and parents come together to ensure that we all remain active and have regular communication with each other.

I would like to thank Darren Ashley, Tim Almond and the coaching team for their continued efforts to motivate and support our swimmers as lockdown eases.

As we move towards some form of normality the club continues to work with Livewire to regain pool time and move towards a similar programme to that prior to lockdown.

Swim England

Throughout the pandemic Swim England has been an exceptional support. The North West team have remained in constant contact with all clubs offering regular support and networking events, which have been very informative and supportive.

As recently reported, I'm proud to confirm that our President Jim Wilkes will become the President of Swim England in 2022. I know how overwhelmed Jim was at being named, but having worked with Jim I understand why he has been given such role and I know that he will continue to promote Warriors whilst undertaking the role of President for Swim England.

Kathleen Dawson

As the majority of your know, one of our very own swimmers Kathleen Dawson has secured a place in the Olympic Squad and continues to break numerous records at swimming.

Her dedication and hard-work is something that I hope can inspire our swimmers in achieving their own swimming goals.

2021/22

The club and the committee's focus over the last 12 months has been on supporting our swimmers in getting their fitness back up and ready for galas, competitions and winning more medals/trophies, this will obviously continue into the remainder of 2021 and on into 2022.

After 2 years as Chairperson I have made the decision to step down. It has been an honour to be the chairperson of Warriors, but as the club moves forward I am aware that I will not have the time to fully support the club.

I know that the new Chairperson, Exec Committee and Main Committee will continue to drive forward with increased club membership, improving working relationships with Livewire and the expansion of the activities and events that we undertake as a club.

Although I have named some individuals within this report I would like to finish by thanking all of the committee, the coaches, volunteers, parents and especially the swimmers for their continued hard work and dedication to supporting our wonderful club.
